Student Learning Pack & Self-Directed Learning

To meet NZQA requirements all our first aid courses (except CPR) include a pre-requisite self directed learning assessment as well as a student learning pack for those completing the Full / Basic first Aid courses. This is to ensure all standards are met whilst delivering our courses in acceptable time frames.

These must be completed prior to the course & given to the instructor on arrival to your course. Certification of Completion will not be issued until all paperwork has been completed & given to the instructor on the day of your course.

NZQA Unit Standards

All of the above courses qualify for NZQA unit standards as indicated. If you require for these to be registered against your Record of Learning we can do so if you provide us with these details on the day of the course for us to be able to process this for you.

Comprehensive Workplace First Aid Course: **Unit Standards 6400, 6401 & 6402**

Refresher Workplace First Aid Course: **Refreshing Units 6400, 6401 & 6402**

Basic First Aid Course: **Unit Standards 6401 & 6402**
